THORSON RESTORATION & CONSTRUCTION NAMED ONE OF THE TOP 50 REMODELERS NATIONWIDE

Thorson Restoration & Construction of Bridgewater, MA has been selected by REMODELING magazine to join the REMODELING Big50. The Big50 awards were presented at a gala dinner at the Remodeling Leadership Conference in Baltimore, MD on May 11, 2012. The 2012 Big50 winners are featured in the May issue of REMODELING, a national trade publication read by more than 80,000 professional remodeling contractors.

Each year since 1986, the REMODELING Big50 inducts 50 owners of remodeling companies that have set exceptionally high standards for professionalism and integrity through exemplary business practices, craftsmanship, and impact in their community or the industry at large. Big50 remodelers run successful, often growing, companies of various sizes that have taken the lead in raising industry standards.

The Big50 selection process has become increasingly rigorous in recent years, and the result, REMODELING editors believe, is one of the strongest classes to date. All 2012 inductees “stood up to detailed examinations of their businesses and their books, and they all demonstrated an admirably deft ability to restructure, retrench, and flat-out hustle to remain viable in a challenging economic climate,” according to REMODELING.

In addition to the Big 50 distinction Remodeling Magazine teams up with *Guild Quality*, a third party survey company to award an elite few from the Big 50 with the Customer Service Excellence Award. This award recognizes Big 50’s that deliver a consistently exceptional customer experience. This year only 3 of the 50 companies were singled out for delivering service of the highest standard and Thorson Restoration & Construction was one of them.

“We are honored to receive the Big 50 distinction as well as the Customer Service Excellence Award,” says Eric Thorson, Owner of Thorson Restoration & Construction. “Both awards recognize excellence and leadership, and we are privileged to be named to this select group of remodelers.”

REMODELING editors, columnists, industry leaders, and the companies themselves make the nominations each year. Following a lengthy evaluation and interview process, the editors select the 50 individuals who exemplify the best of the industry that year, and who have something to offer other remodelers in proven practices. Winners are selected in these categories: business savvy, fine design, industry impact, market wise, movers & shakers, niches, sales & marketing, and teamwork. Thorson Restoration & Construction was selected for the category of “Fine Design” indicating that they have very high aesthetic standards for their projects.

Thorson Restoration & Construction has been providing the highest quality building and remodeling services and exceptional customer service to the South Shore and surrounding communities since 1991.
