Dear Eric,

A hearty thank you to you and your subcontractors for the outstanding work that was done in the renovation of our kitchen. From our initial meeting with you to the final tweaking process, we were impressed with your knowledge, your problem solving ability, your sense of commitment, and your honesty. We have recommended you to anyone who asks for an excellent contractor. Every time we enter our kitchen we are grateful that we took the time and did the necessary homework in finding just the right man to pull it all together.

We are looking at more projects; specifically the roof and bathroom(s) renovations and are wondering if you could schedule us for a consultation at your convenience. Please give us a call or stop by.

Thanks again.

Sincerely,

Steve and Gay Wilson
